

YOUR LUXURY VILLA IS HERE

KOTAK REAL ESTATE

We are a distinguished luxury villa construction firm committed to creating exceptional residences that redefine opulent living.

With a focus on sophistication, innovation, and timeless design, we specialize in crafting bespoke homes that elevate lifestyles in diverse locations.

Silverstone Residence

Ground Floor Plan

The ground floor of this luxury villa features two-car parking, a grand foyer leading to a triple-height living room with outdoor seating, a side staircase, and a dining area with a kitchen and outdoor utility in the rear.

First Floor Plan

The first floor includes two bedrooms—one at the front and one at the rear—connected by central stairs. Each bedroom features an attached restroom, walk-in wardrobe, and a private balcony.

Second Floor Plan

The second floor mirrors the typical bedroom layout at the rear, while the front features a spacious terrace with a rooftop garden.

Reserve your spot now and embark on the journey to crafting your bespoke villa with us.
